Date Mailed: 09/24/2001

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

OFFICE OF PETITIONS

In re Application of :
Anthony Patrick McHale et al : DECISION GRANTING
Application No. 09/748,063 : PETITION
Filed: December 22, 2000 :
Attorney Docket No. 11067/1060 :

This is in response to the "Request For Corrected Filing Receipt" filed October 9, 2001, requesting that the above-identified application be issued a corrected filing date of December 22, 2000.

A review of the original application papers show that the papers were stamped in the Patent and Trademark Office (PTO) with a December 22, 2000 date. Therefore, the filing date of the application is the date shown on the application papers. Obviously, the March 15, 2001 filing date shown on applicants' filing receipt is a typographical error.

The application is being returned to Initial Patent Examination Division for further processing with a filing date of December 22, 2000, and to update the PTO records to show the priority claim is PCT/GB00/02848 as well as the benefit of 60/145,556 filed 07/30/2000

Telephone inquiries specific to this matter should be directed to Wan Laymon at (703) 306-5685.
